El Gaucho Wine List

Perzgjedhja e vererave ne El Gaucho eshte shume e rendesishme dhe me kete merret Sommelieri Fation Tila, i cili eshte dhe nje nga themeluesit e restorantit. Mund te themi qe eshte po aq e rendesishme sa dhe menuja e ushqimit dhe cdo etikete mendohet dhe studiohet me kujdes, si per te patur nje oferte sa me te kompletuar por dhe per te sugjeruar veren qe i pershtatet me shume ushqimit te porositur.

Nje vemendje te vecante kane vererat argjentinase dhe te Amerikes Latine dhe pikerisht per kete arsye restoranti ka vendosur te importoje ne Shqiperi rreth 80 etiketa te vecanta dhe shume cilesore nga Argjentina, Kili dhe Uruguai.

Krahas ketyre perzgjedhim perreth 150 etiketa te tjera nga distributore lokale. Nuk mungojne vererat italiane, franceze, spanjolle, portugeze, te Afrikes se Jugut, Zelandes se Re, si dhe verera shqiptare.

Pak informacion për Argjentinën
